I CARE STRIVES FOR FREEDOM

Freedom is like oxygen for every soul. At I care, we understand that losing mobility is a scary life challenge which threatens the very fabric of one's freedom and sense of independence. We believe in each and every individual has the right to freedom, simply because we care. That is the very reason **for the last 10 years we have dedicated all our efforts to empower people with disability with world-class products.**

With the wide range of products we have, we strive to provide the greatest possible opportunity for independence allowing individuals to move within their homes more easily resulting in increased comfort and a more active lifestyle. **I care is the only indigenous brand in India that provides world-class quality products and has been exporting to all healthcare solution manufacturers around the world.** I care is a Made-in-India brand that aims at providing hope and liberating people across the country.

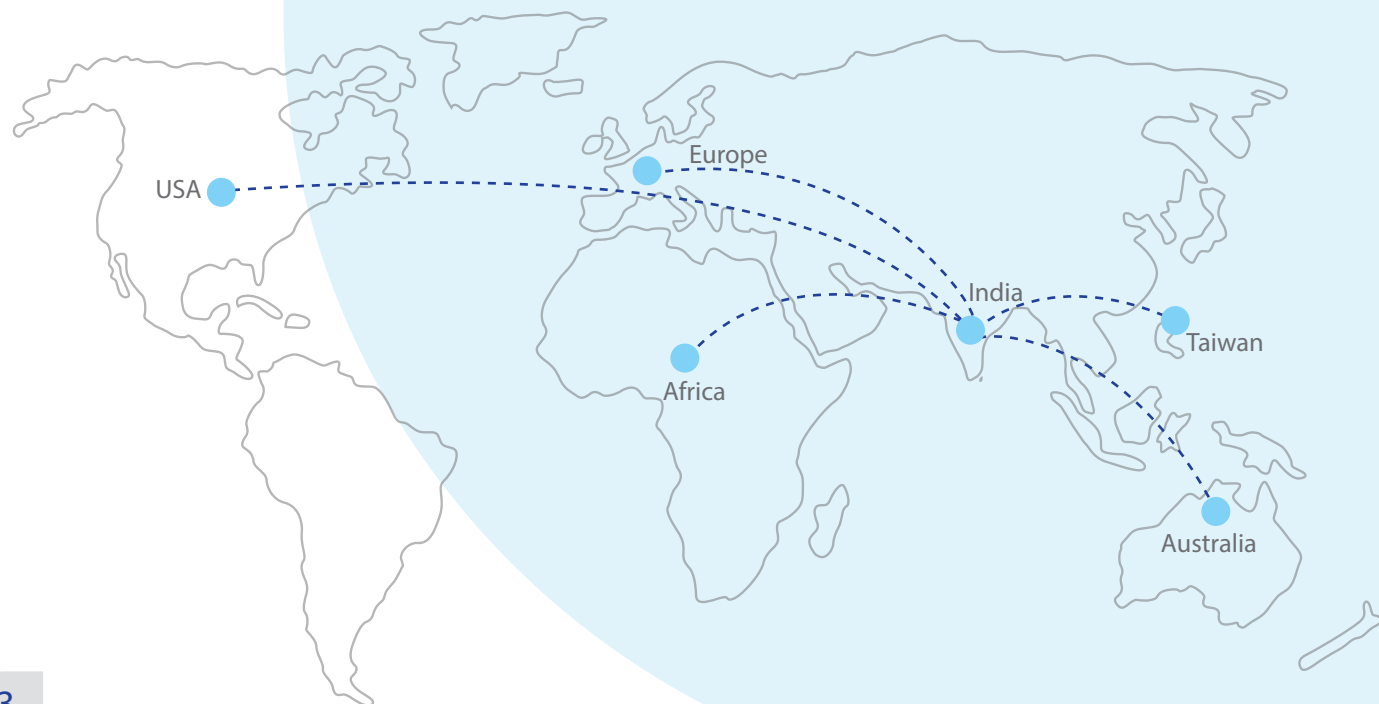

MISSION

To become the **most preferred homegrown Brand in the Healthcare Support Solution Market** within the industry and as well as amongst the consumers in the Indian Subcontinent by providing the most affordable and value-driven products and services.

VISION

To provide Freedom to every individual who needs physical assistance across the world **by providing affordable and world-class Healthcare Support Solutions.** We strive to provide every individual the Freedom to Smile, Freedom to Work, Freedom to Grow and Freedom to be Mobile.
